JEWELS PVT. LTD.

We Live in a square world

Date: 27th Aug 2012

Service Satisfaction Certificate

We have availed AMC services of PC Doctor (I) Pvt. Ltd. continuously for last 7 years. During this period our PCs/Servers/Network grew from 15 Units to 75 Units at three different locations. Their services are competent and satisfactory. During this period we have also got IT Solutions deployed thru them which have been rolled-out and supported very well.

We wish them success and growth in their business.
