

CONSULATE GENERAL OF THE
UNITED STATES OF AMERICA
Mumbai, India

September 18, 2009

To Whom It May Concern

PC Doctor (I) Pvt. Ltd. has provided set up and troubleshooting services for 15 stand alone computers we are using on a construction site at the Bandra-Kurla Complex in Mumbai. PC Doctor representatives have always been responsive and courteous whenever we requested or needed their services. I greatly appreciate the work they have done for us.

Thank you.

Sincerely,

A handwritten signature in purple ink that reads "R. Browning".
